Other Activities

Locally

The Club also arranges walks and visits to places of interest: details are given on our web site www.helc.org.uk and in our bi-monthly Newsletter.

Walks

These are generally held monthly, are not too strenuous and end with a delicious pub lunch.

Further away

We arrange one or more away visits each year involving a 3 or 4 night stay. We have a coach trip to Bournemouth from 22–25 September 2017. During this trip we will be making interesting local visits.
